YES ON A, 3, 7 & 8 — NO ON 6

YES
3

AMENDMENT 3 PROTECT WOMEN AND CHILDREN

- Repeals the 2024 abortion-until-viability amendment and protects unborn children.
- Requires parental consent and bans gender-transition surgeries, puberty blockers, and cross-sex hormones for minors.
- Restores parental rights and returns life issues to the people and their legislature.

NO
6

AMENDMENT 6 DIRECT DEMOCRACY

A BILLIONAIRE'S BLANK CHECK, WRITTEN INTO THE CONSTITUTION.

- Buys permanence. Out-of-state billionaires can bankroll one campaign and lock their agenda into Missouri law for good.
- Rigs the rules. Fixing a voter-passed law would take an 80% legislative supermajority and another statewide election — a higher bar than amending the Constitution itself.
- Cements mistakes. Flawed, unworkable, or unconstitutional laws stay on the books with no practical way to repair them.
- Silences your representatives. Whoever funds the petition gets the final word — not the people you elect.

YES
7

AMENDMENT 7 SHOW-ME PROSPERITY FUND

- Creates a permanent endowment aimed at replacing state taxes with investment earnings.
- A long-term path to smaller government — not a slush fund.
- Dedicates investment returns to tax relief instead of more spending.

YES
8

AMENDMENT 8 PROTECTING THE OFFICE OF SHERIFF

- Puts elected county sheriffs in the Missouri Constitution.
- Only a court, in a case brought by the Attorney General, can remove a sheriff.
- Protects local accountability and the sheriff's role as a check on centralized power.

YES
A

PROPOSITION A MISSOURI FIRST MAP

- Approves the 2025 map, which keeps more counties whole instead of carving up communities.
- Stops packing Kansas City to lock in a 6-2 map.
- Respects local communities and limits map-drawing that dilutes rural voices.

AMENDMENT 3

PROTECT WOMEN AND CHILDREN

Repeals the 2024 abortion amendment and puts women and children first.

PROTECT THE UNBORN. PROTECT KIDS. EMPOWER PARENTS.

WOMEN CAN SUE AGAIN

Restores a woman's right to sue physicians and facilities for malpractice, injury, or death caused by an abortion. Providers who harm women will answer for it in court.

01 WHAT IT DOES

- Repeals the 2024 amendment that allowed abortion up to the point of viability.
- Restores protection for unborn children, with exceptions for medical emergencies, fetal anomalies, and rape or incest before 12 weeks.
- Guarantees care for medical emergencies, ectopic pregnancies, and miscarriages.
- Bans gender-transition surgeries, puberty blockers, and cross-sex hormones for minors. The statutory hormone ban expires in 2027; this makes it permanent.
- Requires written parental consent before an abortion on a minor.

02 WHY VOTE YES

1 HOLDS PROVIDERS ACCOUNTABLE

Puts women's safety ahead of the abortion industry and gives injured women their day in court.

2 RESTORES PARENTAL RIGHTS

Parents, not activists or institutions, make the decisions about their children.

3 SAFEGUARDS CHILDREN

Protects minors from irreversible medical interventions.

BOTTOM LINE VOTE YES TO PROTECT WOMEN, CHILDREN, AND PARENTS

**NO
6****AMENDMENT 6****“DIRECT DEMOCRACY”**

Sold as protecting “the will of the people.” In practice: legislation by out-of-state donors, walled off from your representatives.

**KEEP BILLIONAIRES OUT OF OUR LAWS****01 WHAT IT DOES**

- Requires an 80% vote of both the House and Senate to change or repeal any voter-passed law — and then another statewide election.
- Shields voter-passed measures only after January 1, 2010, and bars lawmakers from weakening the initiative or referendum process.
- Lets judges rewrite ballot summaries through lawsuits, with no legislative guardrails.

02 WHY VOTE NO**1 BUILT TO SHIELD THE LEFT’S WINS**

Abortion, sports betting, Medicaid expansion under Obamacare, and recreational marijuana failed in the legislature and passed through donor-funded “citizen-led” petitions.

2 TREATS YOUR REPRESENTATIVES AS SUSPECTS

It assumes the ballot is sacred and your elected legislature is suspect — the exact opposite of the Founders, who built a republic to check faction.

3 CROWNS UNELECTED JUDGES

Oversight moves from officials you can vote out to judges you can’t.

4 SUBVERTS REPUBLICAN GOVERNMENT

A Cole County judge ruled it violates the Missouri Constitution. The Supreme Court put it on the ballot without deciding that question.

FUND**

A permanent endowment aimed at one day replacing state taxes with investment earnings.

**A PATH TO SMALLER GOVERNMENT – NOT A SLUSH FUND****YOUR MONEY, NOT
JEFFERSON CITY'S**

Amendment 7 is built to shrink the tax bill, not grow the government. The principal is locked away for good, and the 3% cap keeps any future legislature from raiding it.

01 WHAT IT DOES

- Creates the Show-Me Prosperity Fund, a permanent, constitutionally protected state endowment.
- Caps yearly withdrawals at 3% of the fund's five-year average value, protecting the principal from raids.
- Once investment earnings are large enough, allows Missouri to eliminate state-imposed taxes.

02 WHY VOTE YES**1 LOWER TAXES, BUILT TO LAST**

Dedicates investment returns to tax relief instead of new spending.

2 DISCIPLINE ON FUTURE BUDGETS

The 3% cap keeps any future legislature from draining the fund.

3 A PROVEN CONSERVATIVE MODEL

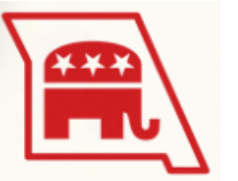

Alaska's Permanent Fund helps it skip both a state income tax and a statewide sales tax.

4 BUILT FOR OUR GRANDCHILDREN

Yes, it takes generations. That's the point: an inheritance, not a gimmick.

AMENDMENT 8

PROTECTING THE OFFICE OF SHERIFF

Puts the elected county sheriff in the Missouri Constitution, beyond the reach of Jefferson City.

LOCAL LAW ENFORCEMENT, LOCALLY ACCOUNTABLE

YOUR SHERIFF ANSWERS TO YOU

Only your county's voters and a court decide who wears the badge — not politicians in Jefferson City and not unelected bureaucrats.

01 WHAT IT DOES

- Requires every covered county to elect its sheriff every four years.
- Protects the sheriff's duties and powers from being rewritten by statute.
- Allows removal only by a court, in a quo warranto case brought by the Attorney General.
- Exempts St. Louis City, St. Louis County, and St. Charles County.

02 WHY VOTE YES

1

PROTECTS LOCAL ACCOUNTABILITY

Your sheriff answers to your county's voters, not to state bureaucrats.

2

BLOCKS A STATE POLICE TAKEOVER

Without it, lawmakers could abolish elected sheriffs and replace them with appointees.

3

DUE PROCESS, NOT POLITICS

Removal runs through a court — not a political campaign or a bureaucrat's decree.

4

STANDS WITH RURAL MISSOURI

Across rural Missouri, the sheriff is often the only law enforcement for miles.

PROPOSITION A

MISSOURI FIRST MAP

Approves the congressional map the legislature passed in 2025.

WHOLE COUNTIES. STRONGER RURAL VOICES.

**A DELEGATION THAT
MATCHES MISSOURI**

Missouri voted for President Trump by 18 points. Our voice in Washington should reflect Missouri's values, not a map drawn to protect the status quo.

01 WHAT IT DOES

- Approves the congressional map the General Assembly passed in Gov. Mike Kehoe's 2025 special session.
- Keeps more counties whole instead of carving up communities.
- Stops packing Kansas City to lock in a 6-2 map.

02 WHY VOTE YES

1 RESPECTS LOCAL COMMUNITIES

Counties stay together, so neighbors share a representative.

2 RURAL VOICES COUNT

Limits partisan map-drawing that dilutes rural Missouri.

3 DON'T DISARM

California and Illinois draw maps to maximize Democratic seats. Missouri shouldn't hand them the House.

4 LET THE MAP STAND

The legislature did its job. A YES vote puts its map into effect.
